## Note from the VP February 2020

In 2019 the BOD spent a considerable amount of time researching the feasibility and costs involved in heated wet toilet facilities. A permanent heated structure was reviewed along with portable heated facilities on a trailer. Needless to say the costs were astronomical. Another option that remains is to modify our existing facilities for heat and running water. That option is still on the table. Our Marketing Director, Gail Angone did a remarkable job diving into this research. Many thanks for the hours you put in on the various options.

The BOD contacted two legal firms in reference to our compliance with the Americans with Disabilities Act (ADA). Both firms directed us to the same consulting firm, which specializes in ADA compliance. On Feb. 10 that company will review our facility. They are scheduled to return in the spring to look over the facilities sans snow. The BOD has budgeted fifty thousand dollars in 2020 for ADA compliance expenditures. I expect you will see many property upgrades in the coming year.

At the next regular membership meeting on Feb. 12<sup>th</sup> a door prize will be given. This will be a monthly event. Additionally, the determination of the date for the 2020 annual picnic will be determined. Bring your thoughts and ideas on that subject.

Tom Mader VP

### New Badges Covers

Hello Members!

I want to thank everyone that voted for me in the past election. That being said, I am working diligently to make the transition as smooth as possible. The returning member list has been submitted. These badge covers should be printed within the next couple of weeks.

As a cost savings to the club, you will have the opportunity to pick up your new badge cover prior the Member meeting on March 11<sup>th</sup>. I will be there at 5:30pm to hand these out. This is a 90-minute window, as we will not let this interrupt the Member meeting, which starts promptly at 7pm. The Board meeting starts immediately following the Member meeting. There will be no badge covers handed out after 6:55pm.

All badge covers that are not picked up at this meeting in March will be mailed to the members. Should you have any questions, comments or concerns, please address them to: [Security@oakdalegunclub.org](mailto:Security@oakdalegunclub.org).

Patrick McNeil  
Safety & Security Director

## Oakdale Gun Club ~ Member Meeting

January 08 2020

Meeting opened at 7:00 PM by Pres Bob Ries

Pledge was said.

Attendance at the meeting was 38.

**Secretary** read the minutes from the Nov 17 member meeting. Motion made to approve as read.

Majority voting aye, no opposed.

**Chronic Wasting Disease:** Kelsie LeSharr from the DNR gave an excellent presentation on Chronic Wasting Disease in Minnesota. There were a number of questions from the members she answered

Expertly and the members were left with a better understanding of the disease and problems controlling it.

**Trap position:** Lou nominated Daryll for Trap Director. Another nomination was also made for David Norris for the position. This will be voted on at the next meeting after the Newsletter is sent out informing the members of the members running for the position. There can be other nominations at the next member meeting before the vote is taken. The members will vote on the Trap Director position at the next Member meeting. Anyone running for the Trap position needs to submit a brief bio to the Secretary prior to voting at the next member meeting.

**David Norris:** came to question the trap fees for members. He wanted to express his opinion on raising the fees for the members for shooting and also bird cost. Discussion followed and Bob wanted everyone to understand that the members shooting trap are treated like all the other members in the club. All money collected from the entire range goes into the total for the club. This money is used to support all the ranges where needed. The Board does not intend to charge fees to the members to make a profit from them. Daryll read info on the cost of Birds from 2015 to 2019 to explain his justification on raising bird prices. He did not have a way to account for shrinkage or trap maintenance. The majority of money to support the club comes from the public. After a long discussion Gail made a **motion** to terminate the discussion with the majority voting aye.

**GM:** Teresa, Working on membership renewals. Current total is about 1100 members have renewed. We currently loose about 200 to 250 members each year.

**Old Business:** None

**New Business:** David Norris indicated he did not want to run for the Trap Director position.

Meeting adjourned at 8:12 PM

Duane Wilhelm, Secretary, OGC

## Oakdale Gun Club ~ Board Meeting

January 08, 2020

Meeting opened at 8:21 PM by President Bob Rise.

Pledge was said.

There were 10 Board members in attendance.

**Secretary:** Duane, Minutes from the November 11 meeting were read. Neil made a motion to approve as read, all voting aye

**Member range problem:** Member appeared as requested by the Board to answer questions about safety incident report on the range. The incident report identified unsafe and abusive behavior on the range and rule for transporting firearms from the range area. Another member appeared to support the actions of the member on the range. After hearing the member and his friend's account of the incident along with questioning from the Board a **motion** was made by Charlie to discuss and vote in private on the issue. Dean seconded all Board members voting aye.

**Intro of Board:** all Board members present introduced themselves to acquaint all Board with the new and old members.

### **Establish open date for Public shooting:**

Opening date for public is July 11 to September 13 for weekends only Saturday and Sunday.

September 18 to October 18 open Friday thru Sunday.

October 21 thru November 15 open daily

November 20 thru 22 then close for the year.

Neil made a **motion** for public shooting dates as above Tom seconded all voting aye.

**Novice Trap:** Skip M came before Board to get approval for jackets for novice trap. Jackets will be Medium Blue in color. Neil made motion to approve. Dean seconded with all voting aye.

**Member problem:** A closed meeting was held to discuss an action plan on the member range safety problem. Based on the discussion, Patrick will draft a letter to be sent to the member with the Board findings. Board members in attendance voted aye to the action plan.

**Old Business:** None...

**New Business:** None.

Motion to adjourn

Meeting adjourned at 9:55 PM

Duane Wilhelm, Secretary, OGC

## RANGE RAMBLINGS

### Frozen Chosin Event 2020

*"We're surrounded. That simplifies the problem."*

*- Chesty Puller at Chosin Reservoir, Korea*

*"The water in our canteens froze. We had to work the operating handles on our M1 rifles every now and then so they wouldn't freeze shut. Some men had to get the corpsmen to chip the ice out of their noses. The cold seeped through your clothing, and you were always miserable. The wind hit your face until it was raw, and the driving snow whipped into your eyes and half-blinded you as you searched for enemy activity."*

..... "Excerpt from interview with Sgt. Lee Bergee USMC, one of the "Chosin Few"

*"Remember, you are First Marines! Not all the Communists in Hell can overrun you."*

### RESUME FOR POSITION OF TRAP DIRECTOR

DARYLL OLSON

I have held the position of trap coordinator for two years at the OGC attending all membership and board meetings. I requested the position of "Trap Coordinator" be made one of a position of "Trap Director" enabling me to speak at the board meetings and have a vote on issues. The request was passed at the annual membership meeting thereby requiring the position to be filled.

During the two years as coordinator I started the first ever trap league at the OGC starting with more than 50 shooters the first year and more than 70 shooters the second year.

Coordinating the high school league, we now have six high schools and one 4H group utilizing the trap range seven days a week over a 14 week period with more than 250 shooters.

Trap training and RSO training is held each year for new members to the trap sport. Training is now required every three years; a change from training every year.

I introduced a Garmin "XERO S1" to various members of the trap shooting community. The Garmin is a tool that stands on a tripod in front of the shooter. It sees the target and the shooters shot string showing hits and misses enabling the shooter to adjust their gun or their stance for better scores. This tool with an instructor is available to club members by appointment only.

FUTURE:

Entertain lead reclamation using the profit to make improvements to the trap range.

Begin registered shooting events.

Remove the safety issue on trap #1. This has begun and is intended to be complete the Summer of 2020.

Investigate ADA compliance requirements on the trap range and find ways to become compliant.

### MEMBERS

In the past few months on the trap and rifle/pistol ranges, we have become extremely lax in picking up after ourselves. As part of your member agreement, each member is responsible to pick up their and their guests empty shells and debris.

Here are some images of how the short range has been left after member shooting.

Let's leave the range in better condition for the next member than we found it.
