AUGUST 2020

Issue 08

Notes from the President AUG 2020

The Club has been open to the public for the past month and barring any additional Orders from the Governor we will have a full and successful year of shooting. On July 25 Governor Waltz issued Executive Order 20-81 mandating all state residence to wear masks "indoors" at public locations. This only pertains to our registration building and not our outdoor ranges. However I encourage all to wear masks for the health and well-being of all. Social distancing must be maintained in all areas. This has been a long-standing rule which has not been maintained to the level mandated. I encourage all to abide by this distancing and remind all using our facilities to maintain a six foot spacing on ALL ranges.

Work will soon begin on the new roof over the twenty-five yard shooting positions. This has been in need of repair for quite some time. The structure is sagging in several locations and needs to be rebuilt. The down time will be in the range of a day or two; so be patient.

As mentioned last month the annual Club picnic has been suspended due to the Virus. I hope that all members will be able to enjoy the summer and utilize our facilities every chance they can.

Tom Mader

Worth mentioning

- ◆ The RSO signup is going well. You are responsible to work the time slot you signed up for. We know conflicts come up and rescheduling the slot is needed. You will need to release the slot and find a time slot in the schedule. The schedule is quite dynamic, so check back often for slot that open. They do not last long.
- ◆ When FAS Field Day is scheduled the Short Range will be closed and the 25yd is in use. The students and Trainers are walking in the field behind the short range.
- ◆ September is the month to submit ByLaw change requests. Send these to the Secretary by either email or postal mail to the club.
- ◆ September starts the process for members to consider which board position they would serve in. Not knowing if we will be able to have an annual meeting this year we are starting the process early. Please contact the Secretary with your questions. We will have an application form in the September newsletter. Please let the President know if you would work on the selection committee.
- ◆ Newsletter: All submissions need to be submitted no later than 10 days before end of month.
- ◆ While we are not holding member meetings, Members with concerns or questions should contact the appropriate board member. You will find the board members listed on the contact sheet in this newsletter.

Twelve intrepid shooters chanced the weather on Saturday, July 11 and were rewarded with blue skies, nice temps and no wind. Jon Possehl took high honors with his 1903A3 – he shot a 477-13X. Mike Criswell and Matt Jackson took 2nd and 3rd respectively. Last CMP Military Rifle match of the season is August 22 at 5pm. Bring out that ol beauty and throw some lead downrange.
