SPECIAL NOTES:

Thank You

Special thanks to **Tom Heckel** for volunteering to bring his wood chipper out to the club for the work party. It was very much appreciated.

Thanks to **John Richards** for taking charge of the exciting drainage work on the ranges.

More details on the Drainage working coming in future months Newsletters

Reminder: Lights are being left on at the ranges.

Please turn off the lights when done shooting. Also please put used chicken wire in the scrap trailer up by the dumpsters. Let's keep the ranges clean.

Getting to know your OGC Board Members

Continuing our series on “Meet you OGC Board”

Daryll Olson, Trap Director OGC

This is Daryll Olson, Trap Director at the Oakdale Gun Club (OGC). I have been shooting trap since around 2005. I began shooting registered trap in 2008 shooting upwards of 6000 targets per year. Shooting registered trap has given me exposure to many other clubs in Minnesota and in other states. I served on the board of directors for the Minnesota Trap Shooting Association (MTA) for six years.

I am married, have three adult children, eight grand children and nine great grandchildren. My two sons shoot and have coached high school trap teams. Two of my grandchildren shoot too. Contests with them is a highlight! All of us have taken trap shooting lessons from Harlan Campbell Jr. one of our nation’s top shooters.

In the past I worked for the 3M company for 20 years. After 3M I picked up my contractors’ license and did remodeling and built two houses before retiring. After retirement, I worked at Cabela’s behind the gun counter for two years. Retail is not the best for family life and attending grandchildren’s activities.

Now, if I am not shooting you will find me still helping people with their small remodeling needs or working in my shop on a woodworking project, reloading shotgun shells or making knives, my new hobby. I am active in my church doing repair work, never ending!

On the trap range at OGC, helping new shooters learn how to shoot is very satisfying. That is my favorite job at the club. There have been improvements made at the club as time and funds become available which is also satisfying. Meeting new people really ranks high on my list. A trap training program has been introduced for members to use in place of meeting on a Saturday at the club for training. Introducing members to the new trap training program to use on their computer has been working well and I believe the program can find it’s way too many other training aspects at the club.

Trap shooting has caught on in a big way in Minnesota. We have six high schools shooting and one 4H group shooting at the club. I am hoping to bring league shooting back this year after the high school program is finished in June.

Dreaming, thinking, and finding ways to help members and the club is always an ongoing process. Any ideas are welcome.

OGC May Board Meeting Minutes

OGC Board Meeting
MAY 12, 2021

Meeting opened at 7pm

Board members present were Tom Mader, Thomas Baker, Duane Wilhelm Tom Acheson, , Dean Cody, Dave Duepner, Thomas Schaeffer, Daryll Olson, Terence Derosier, GM Teresa Reiter Patrick McNeil and Herb Owen. Absent was Bill Gacki Charlie Ames Gail Angone and Tom Etzel

Future meetings will be in the classroom and with zoom meetings

New member admitted mid-year. There have been several new member meetings this year. The problem has been people not showing up for the training. Discussion followed on how to better control new member. Ideas were have a \$50 deposit that will apply to the new member fees when joining. If they failed to show up for the classes then they lose their deposit. Signup genius was used this year but people failed to show up for the class. Discussion also included having a video for the new member class.

Tom proposed to have a group of Patrick, Dave, Duane and Tom meet and come up with a proposal next month.

Chris Olson request for PTC instructor: This request was discussed. Patrick made a motion to allow Chris as an instructor after submission of his paperwork of BCA approval, proof of insurance and qualifies as a member. Seconded Tom all voting aye.

Patrick update on Liability Waiver. Waiver has been sent to the lawyer. He is waiting for a reply. Will defer this issue to next month.

4H status without UofM contract: Agreement sent April 15 . Terry Derosier is following up. He has sent an email to Board and 4H leader stating we would not sign any agreement with UofM but would allow them to continue to shoot here like they did last year. Uof M was sure there was a contract signed in a previous year. The 4H wants to start shooting in early June. Tom A indicated the Board must approve an agreement not just one Board member. Terry to follow up with Tim and the regional director. Tom M can call a zoom meeting if required.

Drainage activity: Herb and Dean. On the 24 ad 25 of May the 25, 50 100 200 and comp range will be closed while the grading is going on. The trap and short range will be open. A reminder will be sent out prior to the work and also notices will be posted in the Marah Building. Plastic curtains on the ranges will be updated on all ranges in June cost to be \$16,000. This will be done before we are open to the public.

ADA Update: Herb. Surveyors were out today for the trap range and other ranges. Will be working on updating the contour maps with relation to our drainage. Also there will be work with concrete on the Trap range He is working with Troy on dirt work for the ADA. Herb wants Troy to give him a bid for dirt work and will want him to work based on time and materials. He has completed the marking of ADA parking around the club.

Question on being able to have handicapped people movement on the range would require a hard surface? Herb indicated he has a type of gravel that would allow for wheel chair travel.

GM, Teresa: Ladies class is full. 25 ladies have signed up. She will be out on medical with a knee replacement starting Friday May 14. She will be able to have club Emails at home.

Email problems: Several Board members have problem with their Email. Have also had problems with people's servers rejecting the Email with gun in it. Will continue to pursue. Tom B does have the ability to update the calendar now.

Patrick Security update: All ranges have been updated with conduit. Additional cameras are up. He will continue to work with Lloyd to run cable thru conduit.

Calendar on line? Website does not allow member to sign in as yet. Even Tom Baker could not update the calendar. This has been fixed and Tom B will pursue other issues.

Toilets: per Tom Baker, Gail is working with contractor. She found out all new wells need to be 540 feet at least due to 3M water problem. She is working with contractor to find answers.

Motion to adjourn Meeting adjourned. 9:08PM

Duane Wilhelm, Secretary, OGC

86 More FAS Students Trained in April

Pictured are 18 FAS students demonstrating the two handed carry just before embarking on the outdoor field stations. These on-line students had just finished the classroom portion of firearms handling.

86 more students were trained in firearms safety at OGC over several dates in April. On April 10th, Terry Derosier organized a large field day with traditional and on-line students. The students go through 4 hours of classroom training in firearms handling and then take part in seven different outdoor field stations. 21 FAS instructors were involved to offer three online student field day classes and one traditional FAS course totaling 65 students. On April 17th, Joel Charchenko and 11 instructors came together to also train an additional 21 on-line students. Families as far away as Duluth and Rochester came to participate. The DNR has been kept busy supplying all the materials to get more Minnesota youth trained in Firearms Safety.

FAS Instructor Duane Linn teaching students the basics of tree stand safety. Which include wearing a body harness, maintaining three points of contact and safely hauling a firearm with a haul line.

FAS Instructor Chuck Palmer with one of his traditional students. Chuck taught the traditional class in April. Sometimes students can be a little reluctant, but with encouragement are able to complete all portions of the field day.

FAS Instructors, Mark Hartmann, David Swan and Lee Berg provided the classroom firearms handling portion of the training on April 10th. Not pictured are William Braun and Timothy Akins

FAS Instructor, Jim Luttrell speaking with students on how to Turkey Hunt. Jim had a blind, several decoys and many different calls to demonstrate to the students. Shoot and Don't shoot scenarios were also demonstrated.

Volunteers created a new opening through the east woods. Because of the wet spring, woodchips were added to prevent students from slipping on the bare soil going through the trees. By moving the entrance to the east range area, it also keeps instructors and students from having to cross right next to the short range. FAS Instructor, Paul Erickson waiting at the fence crossing demo area

20 parent volunteers also helped out with the field day by escorting students from station to station. FAS Instructor Rob Roffers in the background at the casing and uncasing demo.

FAS Instructor, Steve Zawoyski took the students through a mock pheasant hunt in the east area. Here Steve is throwing a red frisbee indicating a rooster pheasant.

FAS Instructors, Tim Sheridan, Mark Malone and Lynn Hoffmeyer at the 25 yd range. Lynn claimed that the students said that, "The shooting was the most fun!"

Oakdale Gun Club Trap League

It's time to begin thinking about trap league at the club. Let's meet on Monday June 14th at 6:00 PM at the Boy Scout shelter behind traps 2 and 3.

Those interested in shooting league at Oakdale send your intent to trap@oakdalegunclub.org. Include your name, team name if you can, and your email address. If you want to maintain your team members from two years ago, contact them and indicate who they are in the email along with the team name.

High School will be done mid June so the league can begin around that same time using traps 2 and 3.

Last time we kicked off the league, we met in the classroom and when we began creating a team, the noise level was too much. This year we will meet at the shelter behind trap two and three outside for the first week, creating the teams, introduce ourselves, go over some safety rules and choose what week night we want to shoot. Two years ago we shot on Monday evenings.. The cost to shoot is \$5.00 per round, (box of shells). The club has ordered ammunition and has been waiting ten weeks for them to arrive. I don't think we'll have ammo to sell.

John Kawohl will continue to maintain the sign up table, tabulate the team scores and send out results.

Daryll Olson
Director of Trap Operations

Trap Maintenance

We need to set up a Preventative Maintenance (PM) team for the trap operations at the Oakdale Gun Club. The work involved would require approximately 10 to 15 minutes per trap per month performing simple checks, I.E. lubrication, functionality and replacement of simple parts if needed. I would like 5 to 6 people interested in helping with this effort. We would attend a meeting at the Monticello Gun Club in the Fall to receive instructions for performing the PM's.

Send me a note at trap@oakdalegunclub.org saying you will help. When the meeting in Monticello is set up I will send an email to those on the team.

Airgun Open House

MAFTA, the airgun club at Oakdale Gun Club is inviting you to attend our OPEN HOUSE on Saturday June 19th from 10AM to 2PM. The event will include: a chance to shoot at different reactive airgun targets, an introduction to airgun field target shooting and an optional timed competition for prizes (a brick of CCI 22LR ammo to the winner!).

There will be a FREE LUNCH served from 11:30 to 1 PM. If you have a .177, .20 or .22 cal. airgun, bring it along. We will have a few member owned guns available for you to use. We're doing this to let OGC members fed up with the high price and uncertain supply of CF/RF ammo that airgun target shooting may be a viable option. It's fun, rewarding and CHEAP compared with what you're probably shooting now. Hope to see you on the 19th!

Glock Shooting Sports Foundation Match Update

On May 22nd and 23rd the Oakdale Gun Club hosted it's 29th Glock Shooting Sports Foundation (GSSF) pistol match. Oakdale Gun Club holds the distinction of being the longest continually running GSSF match first starting in 1992. The GSSF event is a safe, fun, family-oriented organization devoted to the responsible use of GLOCK firearms and encouraging participation in shooting sports and allows people to come to the OGC and see how shooting can be more than just shooting at a single target down range.

This year we had over 250 entries, which is an increase over our 2020 COVID restricted event but down from our historic highs of over 350. We had teenagers to super seniors, males and females alike all competing in this fun filled 2-day event.

We would like to thank all the members that came out to shoot the match this year and to Range Safety officers (RSO) to make sure this was a fun and safe event. We would also like to thank all the member and the OGC Board of Directors for their support of this event over these many years. This event while it does makes money for the Club, it also has given the OGC a great reputation not only in the Minnesota shooting community but nationally as well. Many people travel from across the county to participate in this event.

We would finally like to thank Jim Finch for being the Glock Match Director, without his leadership this event would not run as smooth as it does and also a special thanks to Mike Murphy for his many years of organizing this event.

To find out more about the event please check out the GSSF website at <http://www.gssfonline.com>

We hope to see many more members and other guests at the 2022 event as we celebrate our 30 year anniversary.

Range duty requirements

Service Hours

All Regular and Senior members are required to support the club operations by completing a minimum of **18**

service hours each year. Associate Members are required to complete 9 service hours. Members may choose range duty, grounds maintenance, work parties, competition matches and other miscellaneous club events throughout the year to fulfill the service hour requirements after their first year of membership.

New members (First Year) are required to work two Nine Hour days as Range Safety Officers to fulfill the 18 hours of service.

Exemption from Service Hours

- **Rule of 75:** Combination of your age plus years as a member (minimum of 5 years of membership) equals or is greater than 75.
- **Honorary Member:** If you are age 65 or older and have 10 years of membership.
- **Members who have twenty or more years** may choose to be exempt from service hours but still pay dues.
- **Members on active duty** are exempt from service hours

Exemption from Service Hours

- **MEDICAL:** Members with limiting medical conditions may request a medical exemption from service hours for the current year. Medical requests must be submitted in writing with documentation supporting the claimed medical condition to the Secretary. Limited volunteer work is available for members with physical limitations. Medical exemptions are granted on a one-year basis.

Service Hour Tracking

Members are required to log their service hours on the Service Hour form. Members must complete the date, badge number, last and first name, work description along with start and end time on the form. The General Manager, Event coordinator or Board of Directors must approve the service hours.

Service Hours Opportunities:

- Range Safety Officers [RSO]
- Lead Range Safety Officer
- Lead Trap Range Safety Officer
- Building and Grounds Maintenance
- Gun Shows & Local Events
- DNR Certified Firearm Safety Classes
- Competition
- Gate Guards

Member Guest Requirements

Family Members, Guests and Pets

You are the Range Safety Officer for your guests and Family and are not allowed to be shooting at the same time as they are.

Members of your immediate family consisting of your spouse, partner and children may use the club facilities with you. All family members and guests must sign a waiver every time they use the club with you, unless they filled out an annual online waiver from our website. Although, there is no limit to how many immediate family members you bring, you must supervise your family at all times and they must be physically on the same range as you, arrive and leave with you. During “member only” hours, there is no minimum age limit for a shooter (during public hours, all children under 18 years old must show proof of attending DNR FAS). Children must be well behaved and under control at all times. All children must be directly supervised one on one while shooting. Anyone not shooting or directly supervising, must stay behind the yellow line. All family members must wear hearing and eye protection while on the range. **Reminder:** You are your family’s RSO and are not allowed to be shooting at the same time they are.

During “member-only” hours, you may bring a maximum of three non-family guests at a time. You must supervise your guests at all times and they must be physically on the same range as you, arrive and leave with you. All guests must wear hearing and eye protection while on the range. **Reminder:** You are your guest RSO and not allowed to be shooting at the same time as the guests.

During open to the public hours, your direct Family (spouse, partner and children) may shoot for free on all ranges, BUT must give up their shooting lane immediately if needed for the paying public. This includes both the member and their family. While open to the public, the scheduled RSO’s will be controlling the firing line, therefore the member may be shooting at the same time as their family. A member’s guests (non-immediate family members) must pay to shoot on ranges open to the public. However, the guest may shoot for free on a member only range. **You must supervise your family and guests at all times and they must be physically on the same range as you, arrive and leave with you.**

Pets on the club grounds need to be on a leash or under direct control of the owner at all times. Pets left in vehicles must have water and proper ventilation. Pets are not allowed on the firing line. Pets are allowed in the range house provided they are clean, well behaved and quiet. The twenty-acre buffer area to the east of the range house may be used for exercise and training. Pets cannot stray onto the ranges or adjacent property. Owners must clean up after pets. The authorities will be contacted for any abusive or neglectful treatment of animals.
