## OGC Work Party, Saturday Aug.13th & Other Roles Needed!

Work party, Saturday Aug.13th. Need 10 people, 6am start, Lots to do. Bring drill, drill bits, circular saw.e tc. If someone could bring a chain saw that would be great.

We also need someone to be a Range caretaker for Sept-Dec. Duties would be, empty trash, stock wire, sweep ranges. No set schedule.

We also need 2 people to be a restroom and outhouse cleaner for the rest of the year. No set schedule.

### Keep our Ranges Clean

Members, please pick up after shooting, including brass, cardboard, targets, chicken wire and any other trash. If you have large pieces of cardboard, please take it to the recycling dumpster. Don't leave it at the range. Crush target wire and take to the scrap trailer.

Leave shot up target frames from the 25 and handgun rage, (members only) off to the side.

The new restrooms are finished and they are really nice. Please turn the lights off when you are leaving. **More info on Page 7**

If interested send an email to

Dean Cody

[grounds@oakdalegunclub.org](mailto:grounds@oakdalegunclub.org)

## President Update August 2022

**The new toilets are finished and functional. All members have access to the restroom door with their membership card. The door will remain locked unless an event is taking place where they will be open to all. Please be respectful of the other members and keep this facility clean.**

**For several years the Board of Directors has researched many different alternatives to indoor toilets and finally decided that the current design was the best option. Many considerations were evaluated including cost, utilities and ADA compliance. Many thanks to the numerous Club members who devoted their time and talents to see this project to fruition.**

**In the past month the air conditioner in the house went south. It was twenty plus years old and gave us its best years. It was decided to do a package deal and replace the old furnace with a high efficiency unit at the same time.**

**Tom Mader  
President Oakdale Gun Club**

## OGC July Member Meeting Minutes

### OGC Member Meeting July 13th, 2022

Meeting started at 7:00 PM by Pres. Tom Mader.

Pledge was said.

There were 21 members present.

**Toilets:** Gale, Big congratulations to Gail for all her work on the toilets. They are ready except for door security access. It has taken about 3 years to complete with Gale monitoring all that happened.

**Trap Cost:** The Executive Committee has met and recommend price increase for trap.

Daryll presented data from other clubs and the price they have:

Forest lake	member trap	\$6.50	S St Paul	member trap	\$11.25
	nonmember	\$11.50		nonmember	\$12.50
Hudson rod and Gun club	members trap	\$7.00	Bald Eagle	member trap	\$5.00
	nonmember	\$9.00		nonmember	\$8.00

The cost of a case of birds to us is now \$15.37 per case.

Also, to be considered is the number of rounds shot per case and breakage and spillage.

There was much discussion about the cost increases and what input we need to look at to set the prices. The Board will set the price at the Board meeting.

**AC in house:** The AC in the house has failed. The furnace is old also. We are looking at replacing the AC and the furnace.

**Restroom Access:** There will be member badge access for the door when not open to the public. When open to the public there will be a switch like the classroom door to keep the access door unlocked.

**RSO Scheduling:** 217 available slots for members and will keep adding slots for new members. About 80% filled for members and 64% for new members filled. About average for where we were last year at this time.

**Public Address System:** the club purchased a audio system several years ago and it is not being Used. The system is obsolete but still works. The Board needs member approval to sell.

**Motion** made to sell the PA system. Seconded majority of members present voting aye.

**ADA Work:** Herb has talked to Troy who is waiting on materials with the hope to complete by July or August. Items needing to be done are Parking area adjacent to 200, trap lanes millings spread; Comp range millings spread. Need to install walkway by trap and dirt work on trap building. Teresa has put signage on ranges. Need to fix the lip onto the concrete pad on the ranges. Teresa would like to have a committee of members to get little things done for ADA.

**Picnic results:** Prizes cost was under \$1500. Attendance was down 20%. Great Job done by Shauna and Byron Patterson.

**Drawing:** voted to have two drawings of \$10 each. Winners were #10 Jim Schaefer and #4 Shauna Peterson.

**Motion to adjourn** 07:43 PM Meeting adjourned.

Duane Wilhelm, Secretary, OGC

## OGC July Board Meeting Minutes

### OGC Board Meeting July 13th, 2022

Meeting started at 7:49 by Pres. Tom Mader.—There were 12 Board members present and the GM.

**Archery Range:** Declan Schultz Eagle Scout proposal to build Archery range.

Dollar amount so far from member's donation is \$300. There had been interest

from a few members and a few new members. Would need parking area and

land for the range. There needs to be expert info for building a range. The Eagle Scout

would have to design and build the range. There would need to be ADA access for the range and an addition to the special use permit from Lake Elmo. With this info the Board considered the proposal, and a **vote** was taken with all voting no.

Tom apologized to Herb Owen and Dean Cody on the letter he sent to them and the Board on this issue.

Future proposals to the Board would need to have more information.

**Open Trap Director position:** Tom Mader recommends to the Board to hold this position open until the Annual meeting. There is nothing going on now with trap. Tom indicated he had 6 members ask about the position.

**Motion** was by Tom to hold the position open for now.

Vote was taken with all voting ayes.

**Tom Grezek letter on the range conditions:** Discussed what needs to be done to keep the ranges orderly and clean. Teresa indicated that even with a daily clean up it only lasts until

several people use the range and don't clean up after themselves. The ranges are for the members and the members need to clean up when they are done.

Jack will monitor video to see when member leave their junk on the range and don't clean up after themselves.

**Pictures on range:** Jim Schafer was present to ask about taking pictures on the range. He would

Like to take pictures on the ranges of matches etc. and build an album of OGC activities.

He asked about having a photo release form to allow picture taking.

Mike Schissel, Gail Angone and Tom Etzel will work with him to present at next Board meeting.

**Trap Building:** Establish plan for use of the Trap building to control the items stored in the building. Dean and Daryll will work out a policy for storage. Conduit still needs to be run but will be for next year. Also, some grading for water problem needs to be done.

**RSO Video Update:** Tom would like to have video of Teresa's RSO presentation done.

Tom got 5 responses from the newsletter. He will use 3 of the response chosen by Tom to work on the RSO presentation.

**Gift Certificate:** Teresa is working with the current POS system to create a gift card that can be any denomination to be used for ammo, membership or other. Teresa will have something for the next Board meeting.

**Trap Fees:** Discussed the cost increases of Birds for trap.

Current price for Birds for members is \$13.00. Dean indicated he would like to raise cost to at least \$17.00 per case due to price increase, also a round of trap would be \$5.00 for member and \$10.00 for public. Discussion followed on Board input on the prices. The Board tried to take into consideration the cost of shooting on all the ranges.

Teresa indicated we spend a lot of money on chicken wire to shoot on other ranges as opposed to cost of maintenance on the trap machines. There also is a cost of breakage and spillage on birds. **Motion** was made to price a case of birds at \$17.00 for sale to the members. Motion passed.

Next **motion** to increase the cost of a round of trap at \$5.00 for members and \$10 for non-members.

All present voting aye.

An Eblast will be sent out to indicate that the trap cost increases will take effect August 1.

**Bylaws:** Reminder that Bylaw amendments must be submitted in September.

Tom indicated there needs to be adjustments made.

**AC house:** Dean has gotten 4 bids for Air conditioning in the house. Refrigerant had leaked out and due to the age of the unit it could not be fixed. After discussion on the bids he received, APOLLO was chosen with a bid of \$11,200.

**Motion to adjourn** 9:05 PM Meeting adjourned.

Duane Wilhelm, Secretary, OGC

## Range Ramblings

### Range Duty Signup Procedure and Links

New members must sign up for only the RSO time  
existing members may work RSO time or Gate Guard time, both will be shown in the link  
below.

### New Trap Pricing effective Aug. 1<sup>st</sup> 2022

Due to rising costs of our last shipment of birds, it was proposed, discussed and voted on at the July 13<sup>th</sup> Membership Meeting and the BOD meeting that the rates for shooting trap and the cost of a case of birds will be raised effective August 1<sup>st</sup> 2022 to the following:

**Member, per round: \$5.00**  
**NonMember, per round: \$10.00**  
**Box of birds: \$17.00**

Any questions or comments can be directed to our Trap Director.

Glock	Comp. 50y, Short	8:00 AM-5:00 PM	5-20 (set up), 5-21 & 5-22	Jim Finch
			Classroom needed	

## Range Ramblings

### Oakdale Gun Club hosts 30<sup>th</sup> consecutive Glock Match

This past May Oakdale Gun Club hosted the Glock Sport Shooting Foundation (GSSF) for our annual Glock match. This year's match was very special as it was our 30<sup>th</sup> Anniversary match. In fact, Oakdale Gun Club is distinguished as having the longest record of continuously running Glock matches at the same facility in the nation!

The weekend was a spectacular success. The month of May can often bring both chilly and wet weather to our area and bad weather negatively impacts match participation. Fortunately for us, the weather for our match was perfect both days. This, together with the more ready availability of ammunition (compared to the past couple of years) resulted in a higher number of participants than the previous couple of years. We continue to hope and plan that our participation for this event will grow as it is an excellent opportunity for Glock aficionados to get together and converse, compare equipment and technique, and get reacquainted with other participants that travel in for the event from around the country. **Oakdale Gun Club is a pristine location for this event and Glock frequently comments that our match is one of the best conducted in the nation!**

The key to our success is the tremendous participation we get from Oakdale Gun Club members who volunteer to work and support the match during the weekend. Safety is our TOP priority for this match and many people are needed to make sure this match is conducted safely for all participants, observers, and volunteers. One measure of the satisfaction our volunteer Range Officers get from working this event is the large number of repeat volunteers that signup year after year. Most of our volunteer Range Officers have worked together for a number of years and understand the unique needs to assure safety and smooth operation for a Glock match. This familiarity contributes to a successful experience for our participants and gives Glock the confidence to want to continue to partner with Oakdale Gun Club to host these matches for the foreseeable future.

Further, we use this event to partner with the Washington County Explorers who come in for the weekend to host an excellent concessions stand for everyone in attendance. As a result, many participants spend the entire day with us, enjoying a comfortable lunch while catching up with their friends. We also had a special surprise this year as this year's match coincided with the 100<sup>th</sup> Anniversary of locally owned Stillwater Motors and, in celebration of this event, they stepped up and purchased special logo wear for all our Range Officer Volunteers! This was a much-appreciated bonus for everyone! Thank you to Stillwater Motors for this.

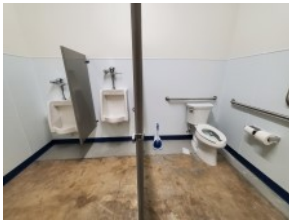

We are already looking forward to next year's match! That match is scheduled for May 20 and 21, 2023. Please mark your calendars and plan to join us for this event. More information on the matches can be found at <https://gssf.pro/> These matches have grown to be significant within the shooting community nationwide and Oakdale has established itself as a top-notch facility in the nation. We need to continue to foster and encourage this. **A final "Shout Out" to all the volunteers that make this match a success at OGC! This is only successful because we have a great team of people who invest their time and energy to make this a success! Thank you!!!!**

**Jim Finch—Glock Match Director – Oakdale Gun Club**

## **Range Ramblings**

### **New Restrooms**

- The indoor Restrooms (ADA compliant) located in the Classroom Building are completed and can be used. A surface coating will be applied to the cement floors next year.
- We ask that our members make sure the entrance door is unlocked during "open to public" hours and locked again at the end of public hours. Members can always access with their badge.
- Please remember to turn off the Lights

### **Community Events.**

OGC participates in the following events to promote our club and the activities we offer.

- OGC will have a promotional table at Lake Elmo's National Night Out on Tuesday, August 2 from 6 to 8 pm at Lions Park in the Old Village of Lake Elmo near the fire station. OGC has participated for the last 4 years. Stop out to see us.
- OGC will have a promotional tent set up at the Washington County Fair from August 3rd through the 7th. Joel Charchenko and his volunteers do a wonderful job at the fair every year.
- OGC will have a promotional table at the Minnesota Weapon Collectors Association (MWCA) held in Anoka, MN. on Sept. 10 & 11.

We have amazing, talented and dedicated member volunteers who offer their time and efforts for the good of our club. We appreciate them all.

**Gail Angone - Marketing Director**

### **Last CMP Military Rifle match - August 13**

The last match of the 2022 season will be Saturday, August 13 at 5pm on the 100y range. We had 16 shooters at the July match with a wide variety of guns - M1 Garand, 1903A3, 1917 Enfield, SKS, AK47, AR15, M1A. It was a fun evening. Five shooters shot 451 or better (500 max). Club member Barry Olson was high shooter with 479-8X. So if you if you've been itching to shoot that relic in your gun safe..."come on down!".

Cost is \$7 for club members and \$10 for non-members.

Contact Tom O'Mara at [tomara2ndA@gmail.com](mailto:tomara2ndA@gmail.com) or 612-810-8701 for more info.

## Range Ramblings

### Your 2022 Scholastic Action Shooting Program - State and Nationals Update

The Hudson Raiders Shooting Club would like to thank the Oakdale Gun Club for allowing us to use the 25-yard range for our practices. Eleven athletes participated on Friday afternoons, throughout the spring and summer. Eight athletes competed at the SASP Wisconsin State Match in Saukville, Wi and six athletes traveled to the Cardinal Shooting Center in Marengo, Ohio for the 2022 SASP National Championships.

### **Participants in the 2022 Wisconsin State Match**

Some of you may have seen the range occupied by this group and wondered what we are all about. SASP describes itself as “An organization that provides student athletes, aged elementary through college, with a supportive environment where shooting sports serve as catalysts for teaching life lessons and skills that emphasize positive character traits and citizenship values.” The fun part is that kids get a chance to learn firearm safety, develop their marksmanship skills and learn the sport of action shooting. Our kids compete in rimfire pistol (22LR-iron sites), iron rifle (22LR-iron sites), optics rifle (22LR-RedDot optic), PCC (Pistol Caliber Carbine | 9MM), and 1911 (.45 or smaller caliber - iron sites). Next year, there will also be an option to add rimfire revolver as a new discipline.

An official SASP match (like Steel Challenge) consists of the best 4 out of 5 strings on 4 different courses, for 16 strings added together for a total time. Courses are set in different configurations with 5 steel plates of various sizes at set at various distances. The athlete must hit 4 plates, followed by a stop plate (5<sup>th</sup> plate) as fast as they can.

Courses this year included: Focus, In and out, Go Fast, Speed Trap, V for V, and Exclamation. Additional courses are in the works for next year!

The word is spreading through the Hudson Raiders Shooting Club and interest in SASP is growing. Next year, we look forward even more kids wanting to enjoy action shooting. For more information, please contact the Hudson Raider Shooting Club at [HUDSONRAIDERSHOOTING@gmail.com](mailto:HUDSONRAIDERSHOOTING@gmail.com)

**Mossberg 500A 12g 3" Combo SG or Single**

The A stands for 12g. Model's 500 and 500A barrels are the same.  
24" Rifled Slug Barrel Matt Finish, Iron Sights ( not tapped for scope base )  
28" Vent Rib Blued Barrel came with the SG. Has a Red Fiber Optic front sight  
Has an Improved cylinder choke 15-30yds ( rabbit, quail, grouse, ducks over decoys) and a Turkey choke 15-45yds.

In very good shape, wood is over 90% and has swivels for sling.

Turkey, Deer, Home D.

\$200 firm without the rifled slug barrel. Will sell the rifled slug barrel by itself for \$50 .  
\$225 for the combo.
