## President Update March 2022

Next membership meeting is Wednesday March 9th.

The annual picnic is set for June 25th of this year. We have a local food service providing a varied menu. There will be a number of shooting events with cash prizes. Please sign-up early and make your food selections so we have the correct amounts of each item. (See attached sign-up sheet) We still need to schedule more workers to staff the picnic. If you are interested, please email me at President@oakdalegunclub.org.

I am also seeking several members who would like to complete their yearly work details by being responsible for the cleanup and minor maintenance of two ranges. Tasks would include emptying trash, maintaining wire target backings, sanding the walks and or sweeping the shooting areas; throughout the whole year. You will be reporting to the Building & Grounds Director. If interested contact the Director of the facility at Grounds@oakdalegunclub.org

It has been related to me from several source that our Club has way too many rules. In the words of a past security director; "this is not a bowling establishment". All of the rules were initiated purely for safety. In today's political environment a minor accident could have disastrous consequences to our future. One of the cardinal safety rules is to NOT handle firearms when someone is down range. This obviously applies when the firing-line is occupied. But it also applies if you are alone on the range with a small group of your guests. Safety is not an accident! Our future depends on YOU!

Recently there has been some push-back from a member concerning our bylaws requiring membership in one of several shooting organizations that support our second amendment rights. This requirement is an extremely small cost to belong to a premier, sixty-two acres, shooting facility, located less than ten miles from the state capitol. Membership requirements, in time and dollars, have been set many years ago and maintained unchanged for decades. It is a bargain and I hate to see our membership be reduced by one number over such a trivial point.

Enjoy our facilities...I use them year around!

## OGC February Member Meeting Minutes

### OGC Member Meeting February 9, 2022

Meeting started at 7:00 PM by President Tom Mader.

Pledge was said.

There were 18 members present.

**Legislature:** Review what's going on at the legislature: Michael was not present, but Dean was able to address these issues. Some of the issues include registration of guns, Ban of semi auto weapons, magazine issues. Etc. We need to be attentive to what is going on with gun issues at the legislature.

**OGC Revenue:** Tom talked about the competition by other new shooting ranges. Other ranges are different from our range. Big difference is the present of range officers to monitor shooting. The need for safety classes for new shooters. Need to get more youth involved. Have discount rate for young shooters to join. Work with DNR to get more shooters involved. We need to think of ways of getting more revenue for the club. The membership should think about possible increase in the membership fee to off-set revenue shortages. Everything has gone up in price to include ammunition. All revenue items for the club could be included in increases. It would depend on the revenue of the club this year. There will be budget meeting by the Board to closely monitor our spending. If any members have ideas on new revenue prospects for the club or ways to increase public use of our ranges, please send Emails to Board members and or attend the member meetings.

**Pres: Tom Mader:** Discussed the idea to participate in Armstrong Ranch events. It was mentioned that the event is geared toward pheasant hunting and would not be any benefit to us. It was decided to pass on working any events there.

**Picnic: need** a general manager would be responsible for the following:  
Collect \$\$, Check in paid attendees, contract food vendors, assemble shooting events with supervision for each, create events for adults and children, solicit door prizes, purchase plates, forks and napkins. Provide spatulas for cake distribution. Pick up water, soft drink and snacks prior. Order and pick up sheet cakes, pick up ice cubes and coolers day of. MC the door prizes at the end of the day. Assemble crew to set up and takedown. Provide final \$ accounting.

Byron Peterson and Shauna Peterson volunteered to manage the picnic.

**Drawing:** voted to have two drawings of \$10 each. Winners were Eric Hollan and Shauna Patterson.

**Motion to adjourn** 07:48 PM Meeting adjourned.

Duane Wilhelm, Secretary, OGC

## OGC February Board Meeting Minutes

### OGC Board Meeting February 9, 2022

Meeting started at 8:12PM by President Tom Mader.

There were 13 members present.

**Budgets:** We will look at budgets based on last year the possible projection this year.' Armstrong Kennel event. Will not participate in the Armstrong kennels events. Board members decided it would be too costly.

**Bill Gacki** analysis of OGC Revenue. For last few years. Bill had revenue reports for 2017 thru 2021.

The reports did not include member dues. We will be getting monthly reports from Quick Books that will allow us to closely monitor revenue and spending.

**Board Meetings:** Tom A asked about holding Board Meeting on a quarterly basis per requirements by the Bylaws. This does not include the monthly member meeting.

**Trap Scheduling:** Joel Charchenko talked about Hudson scheduling ranges for rifle and pistol shooting.

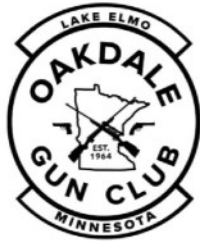

They want to reserve the 25yd range every Friday 3; 30 until closing from March thru July. They are paying only \$350 for all the shooting times. We could look in the future to raise the price to \$50 per each Friday shoot. Also have had a problem with the High School's idea that trap two and three are only for the High School shooting. There are also issues with High School people using our Bobcat and are they approved to use that equipment and our liability? Joel was asked to have the High Schools come to the meeting to discuss these issues.

Joel has scheduled a DNR FAS instructor class Saturday March 5. June, August and September is open for FAS classes at Oakdale.

**Motion to adjourn** 08:48 PM Meeting adjourned.

Duane Wilhelm, Secretary, OGC

## Range Ramblings

Eighteen hardy souls braved single digit temps and (thankfully) little wind on Feb. 19 for the 16th annual Frozen Chosen rifle match on the 100y range. A wide variety of guns sent lead downrange. Joining the M1 Garands were a Finnish and Russian Mosin, M1 Carbine, Swiss K31, AR-15 and an HK. For as cold as it was, the shooting was not that bad. Quite a few scores in the 400s. John Possehl was the match winner with 449 out of 500 with his Finnish Mosin.

### A little history related to the Frozen Chosen: **The Battle of Chosin Reservoir.**

This a Korean War battle that took place between 27 Nov. and 13 December, 1950. This was early in the war (which began in June 1950). This match @ OGC began (2004) as a commemorative event to recognize the efforts of the forces of the United Nations, which included US Army and US Marine forces. The match is conducted in cold weather, usually February, replicating the weather conditions seen during the battle, and match shooters are encouraged to use rifles that were used by American forces during the battle. Many shooters use the M-1 Garand rifle with .30-06 ammunition and no scopes are used, just iron sights.

### Some early handgun silhouette match history at OGC

At my first OGC meeting in the Moose Lodge @Frost and English streets, April 1978, Jack Reece, the President at the time, listened to a subject introduced by members Rich and Wendy Rudman. They had heard about a new shooting game sweeping the country. The game was handgun silhouette. The targets were the same as those used by NRA Highpower Rifle silhouette but at shorter distances. Luckily, the longest handgun shooting distance could be accommodated on the OGC 200-yard range.

The game started in Mexico, the NRA adopted it and started shooting rifle silhouette matches in Arizona. A group of shooters in the SW thought it would be a good thing to adopt the game to the use of handguns. These people formed the IHMSA (Intl. Handgun Metallic Silhouette Association) in 1976.

Jack Reece asked the Rudmans to look into it. They did. And along the way, Keith Purdie, who was connected to Gopher Shooter's Supply in Faribault, also got interested in the new game. He sourced a set of (40) targets and donated them to the Minnesota Handgun Silhouette Association. These targets were shared by several clubs. This Minnesota association was patterned after the IHMSA organization. This Minnesota activity happened in 1978.

In 1979 the steel target support frame seen today on the OGC 200 range was erected and was moved back to 200-meters. The preferred IHMSA shooting distances are 50, 100, 150 and 200 meters. OGC could accommodate meters in 3 of the 4 distances. We could not move the 100-yard target line back, so OGC had to live with 100-yards, not meters.

The first OGC match was held in 1979. At a match a "stat office" is required. At this match it was Jim Mottaz's (OGC member) motor home. In subsequent years it was the old granary. The little shack on the hill behind the 100-yard line was way too small to serve this need. Shooters bought their score cards there, had their guns weighed, barrel lengths checked, sights reviewed and dry fired to check for too sensitive of an action. After the shooter was done shooting, his score card(s) are turned in here.

In the early 80's there were matches held at these clubs:

Oakdale  
Minnetonka (up near St. Francis)  
Thief River Falls (a 7-hour drive from OGC!)  
Brainerd  
Rochester  
Duluth  
Virginia  
Harris  
Fergus Falls

**Continued on Next Page:**

### Some early handgun silhouette match history at OGC (Cont.)

The interest was quite intense. At the first Minnesota State Championship, Keith Purdue twisted a few arms at Gopher Shooter's Supply to agree to sponsor the match and have enough door prizes so every shooter received a gun. I wasn't there but heard about it for years afterwards.

At OGC it got so intense that shooters had to call the Match Director the Wed. night before the weekend match to reserve shooting slots. Many shooters had 3-4 guns that they used during a match. Every shooter had a spotter. Spotters were also shooters. So, one person would shoot while the other served as spotter. Then they traded places and the spotter shot while the other person spotted. Matches were always held on Sat. and Sun. State Championships were held Friday through Sunday.

Today, 2022, only two clubs host matches in Minnesota; OGC and Minnetonka. The intense interest has died down in recent years.

The oldest continuously running match event at OGC is NRA Bullseye/Conventional Pistol/2700 and the second oldest is handgun silhouette. OGC has hosted many IHMSA State Championships over the years.

I shot my first handgun silhouette match in 1979. My father spotted for me. Hitting and knocking over my first ram at 200-meters, using an iron sighted, 6" barreled S&W revolver and cast bullets, got me hooked! I became a Life Member of IHMSA in 1990 and might occasionally shoot matches today.

**OGC STORE IS OPEN**

OGC Store is doing the best it can to provide ammo. Unfortunately, Magtech is working on allocations for all of their customers. We have to ration our sales to members. We will be getting more ammo but do not know how much or when. So you should not question the allocation you are given. Thanks for understanding the problem.
