President Update May 2022

There are a number of our members that conduct permit to carry instructional classes.

If you choose to utilize one of those instructors you will get a twenty-dollar reduction in the cost of the class. This is due to the rent they pay the club for the use of the range which is not charged for members.

The instructors can be found on the web site calendar where they schedule their classes. On the calendar you can highlight the specific dates and their contact info is present. Additionally, you may find their business cards displayed in the Marah building (Registration building).

Due to my opining in a previous month's article about a requirement of membership; I received a little heat from two members. Thoughtful disagreement is welcome and healthy for the organization. I encourage any member who believes the membership requirements are out of date to submitting changes to the bylaws. Review the procedures for bylaw amendments and go for it. The bylaw document can be found in the members portal on the web site.

OGC April Member Meeting Minutes

OGC Member Meeting
APRIL 13, 2022

Meeting started at 7:00 PM by VICE President Tom Baker.

Pledge was said.

There were 17 members present.

Gate Guard Policy: discussed policy. Gate guards are being informed of the policy that was

created by Tom Baker and Teresa Reiter. Teresa asked what should be done if someone does not want to show their badge. Tom indicated if the person resists then call the Sheriff to handle the problem.

Second Gate: Eric H. Eric was not present, but it was discussed. Would be very costly for a second gate verses using gate guards. Any further discussion put on hold.

Michael Schissel: Member had asked about additional requirements to join Oakdale gun club with the three options we have of "NRA", "MN Gun Owners Caucus" and "Gun Owners of America". Members present pointed out we are a private club and can have any requirements to join. This item has been voted on by a Majority of the members to be a requirement.

The members present did not see any reason to change the requirement.

Picnic: The latest members can sign up for the picnic is two weeks before the event. Byron has put signs on all the ranges.

Board Meeting: there will be no Board meeting this month.

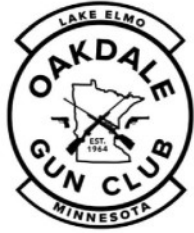

Drawing: voted to have two drawings of \$10 each. Winners were Joel Charchenko and Byron Patterson.

Motion to adjourn 07:12 PM Meeting adjourned.

Duane Wilhelm, Secretary, OGC

Three Position Rifle Matches

These matches develop proficiency in firing for score in the sitting, kneeling, and standing positions. Any repeating rifle, rim fire, or center fire qualifies for use, There are no requirements or limitations to equipment. Any sight, any action, any modification is allowed. The challenge is for the shooter to excel in these positions which is typically not dependent on equipment at the amateur level. The match is comprised of 50 rounds at 50 yards; 10 rounds slow and rapid fire sitting, 10 rounds slow fire kneeling, and 10 rounds slow and rapid fire standing. Low velocity jacket or cast bullet reloads are suggested for reduced cost and recoil. Score your own targets. Brag to your friends and family and vow to do better next match. Because this is an "any gun" match, there are no competitive classes. Rotate between different guns during the season if you wish. Matches are the first and third Wednesdays, May through September (May 4, May 18, June 1, June 15, July 6, July 20, Aug. 3, Aug. 17, Sept. 7, Sept. 21) . This event brings in visitors to the range from all over the country and is a great showcase for our club.
