Notice to OGC FFL members

As we all know, starting August 1st 2023 the new Universal Background Check Law goes into effect. Seeing as I know I'll be contacted by members asking if I know any FFL dealers in the Club to help them buy or transfer a firearm, I would like to have a list of any FFL dealers that I could recommend. Seeing as we have members from all areas of the extended metro area, I would like to also know what area you work out of and your preferred contact information. I do not need your fee; they can get that when they contact you.

Security Report: President Gail filled in and reported on the new security system that was approved by the Board. The current card access system was had a problem and replacement parts are all but impossible to obtain. The upgrade will also improve our ability to remotely control and monitor the gate with an app.

TRAP TALK

Trap Tip of the Month

Know the rules:

When you are shooting trap and you chip a bird, but the score keeper calls a loss- raise your hand **immediately** and tell them you had a chip. If this is not disputed right away and the next shooter takes their shot, you can't go back later and make a dispute. Majority rules in this case, its up to a vote amongst the squad to determine if the dispute is warranted.

Remember: A shot near the target, can steer the target- but does not mean you hit the target. There must be a chip to count as a hit.

Updates:

- New and returning members interested in trap house training, please go to your member portal and take the trap course listed. When finished please email Trap@oakdalegunclub.org and let us know. We will send you a link to fill out.
- The Fall Clay order will arrive next week! **Please remember to put your badge number and \$17 per case in an envelope and place in the red money box inside the shed adjacent to trap house 3.**
- Wednesday and Thursday night trap is now open to members 3-6PM

Hudson Raiders Scholastic Action Shooting Program – 2023 Recap, Coaches Training, and Open Course

The Hudson Raiders Scholastic Action Shooting Team has completed another successful season after competing in the Wisconsin State SASP Match and SASP Nationals in Marengo, Ohio. The many practices at Oakdale Gun Club paid off for the team with excellent results at the State Match, and lots of fun competing against the country's best youth shooters at Nationals. The team's Senior Squad earned 1st place in the State for Rimfire Pistol, Paul Nordeen took home 1st place in Men's 1911 Model Pistol, and Jake Burger placed 3rd in Men's Pistol Caliber Carbine.

On August 5th, the Raiders will conduct a class and range day to train new coaches interested in SASP.

Following the training, the team would like to invite all Oakdale Gun Club members or interested youth to join us for a test run of one of the courses we shoot in competition. Meet us at the competition range from 2:00 to 4:00 pm. Bring your own handgun, rimfire rifle, PCC, or borrow one of ours.

For more information about the SASP, see their website at www.mysasp.com, or visit www.hudsonraidersshooting.com

Just a Friendly Reminder:

- The Range Safety Officers have command of the ranges and Trap area.
- Anyone under the age of 18 must show proof that they have completed DNR FAS Training.
- Your guest(s) must pay. This does not include direct Family members, but you must give up your shooting position if needed for a public shooter.
- 1 Bullseye type target only. You may bring a target that has multiple bullseyes on it, but it must be approximately the same size as the ones we sell to the public (14"x18")
- Only 1 uncased gun at the point of fire at a time.
- No kneeling or prone shooting.
- No holster draw.
- OGC Badge must be worn in plain sight at all times.
- The Range Safety Officers have command of the ranges and Trap area
