OGC January Member Meeting Minutes

OGC Member Meeting

Jan 11, 2023

Meeting started at 7:00 PM by President Gale Agnone.

There were 22-members present.

Pledge was said.

Minutes were read from the Annual Meeting by the Secretary.

New Directors: Gail introduced the new Directors for the year.

Treasure Report. Daryll gave the Treasure report. One of the surprises is our taxes for the land and the house went down due to the growth in housing in Lake Elmo. Contact Daryll for any detail in the report.

Building And Grounds, Dean, reported on the inspection of roofs due to hail damage. Our insurance will cover new roofs on the following structures: 25,50, 100 200, house, range building, comp and comp storage, office, and storage building. The 100yd and short range shingles will not be torn off due to the Baffles but will be placed on top of the old one. It will also include tear off and haul away of old materials. New seamless gutters and downspout will also be included for the club house. Any replacement of the underlayment on the roof will be billed to the Insurance company. This will include replacement of asphalt shingles with 50-year shingles and tear off and haul away of waste. The construction will be done by a member's company and all he asks us for is a layout and ariel view of the club for the project. Payment will be 50 percent to start. We have the funds from the insurance company deposited in our account. The cost of the job is based on the \$1000 deductible for out insurance. Work will not start until spring. The claim will be kept open during the work. All permits needed will be the responsibility of the contractor.

Projects for 2023, Herb, completed a list 37 projects needed by the club. He broke down project on the list by priorities of ADA, safety, security and maintenance. Several of the items are due to ADA requirements we have been working on. Several of the projects have been completed. First is steps on number one trap house. Apply asphalt Tailings on the trap range between the concrete and other areas where the asphalt tailings can be used for ADA access. The Baffle system on the 100 and short range need to be inspected as they are over 10 years old. We are looking at the first 19 projects for this year. One problem we are watching is the front gate. Due to its age, there are no parts available to replace it
If breaks.

Picnic Date: Byron, Has selected June 24 as the date for the annual picnic. Looking for different vendor for this year. Would like menu as more picnic like food.

Membership: Teresa, the number of members renewed so far is 866 regular, Honorary 101, and Board and staff 13 for a total of 980 members. We have had 56 New members applications so far with People joining from now until June 1.

Lights: Dean, TURN OFF THE LIGHTS. Dean has had several lights left on the ranges. Please, This add to our high light bill. Email Dean if there are anything on the range needing attention.

Drawing: voted to have two drawings of \$10 each. Winners were #14 Herb Owen and # 21 William Purdy.

Motion to adjourn 07:35 PM Meeting adjourned.

Duane Wilhelm, Secretary, OGC

OGC January Board Meeting Minutes

OGC Board Meeting

Jan 11, 2023

Meeting started at 7:46 PM by President Gals Agnone
There were 10 Board member present and the GM.

Treasure report: Daryll, looked at the current club insurance. The deductible is \$1000.
After discussion, Vote to keep the deductible at \$1000 majority voting aye.

Confidentiality Agreement: Tom, why do we need it. To not tell the outside world our Confidential information to include financial and employee. Only way to control is for all Board and GM to sign this. Discussion followed about this new document. He handed out the agreement for all Board and Gm to sign after they read and understand and bring it to the next meeting (FEB)..

Legislative discussion: Jon, Talked to several people at the legislature. We need to take defensive posture. We have people at Lake Elmo meetings to check on our interest. A lot of legislators are not friendly to us. Jon may ask legislators to come and talk to us. We need to look at Emails etc. to respond to issues by our members based on the membership location around the area. Members with ties to their legislators would have the best influence. It is important to use our membership to our advantage. The gun caucus is also a resource we could use. We must be careful not to have members spin a bad Opinion of our club. We are in a unique situation with the legislature due to the election. Any information sent out to members must be addressed by the board first. We must keep a positive light on what we do. We try to keep a low profile. Jon will be looking at our database to see where our membership resides. Will look at this issue more on going.

Project priorities: Herb, has been covered in the member meeting.

Bylaw review: Gale, change process, Need to check our current policies and use permit as it relates to the Bylaws. Start now and review for last change in September.
Oct and Nov will submit bylaw for member review.
December newsletter will publish the final updates to vote at the annual meeting.
Changes should address our current and future business needs.
Each change should be voted on separately.

On-Going Items: Look at our CPR training and see if updates needed for our members and specific RSO.
Look at our legal documents and any items not addressed for a long period.

Donations: Discussion: can member or other donate money to the club.
Not sure about donations with our non-profit status.

Police use of range, Teresa: Will contact Police dept about their possible use of our range.

Communications: Gale, be sure to check your Email regularly to keep up with info. Recently several items needed to be addressed. Also please let Teresa or Gale know if you are going out of town or unavailable,

Motion to adjourn 08:45 PM Meeting adjourned.
