Issue 01

Thank you, Tom Mader!

At the 2022 Annual Meeting, Tom Mader served his last official duty as President of OGC, conducting the meeting for us. If you weren't there, you missed a historic event!

Tom joined OGC in 1967, while the club was in its infancy. He served multiple positions on the Board of Directors since then. More recently he was serving as Vice President and in his 4th year in that position (2017), our then current president resigned in March 2020, pushing Tom into the role of President. He served in that position for 3-years, 2020, 2021 and 2022.

While Tom tackled many tasks as President, it is difficult to summarize all of them here. One of the areas where Tom stood out is in facilitating the conduct of our Membership, Board and Annual meetings. Previous Presidents let people ramble on, get off topic and we even had one president who didn't even know the topic list and had to ask our Secretary sitting next to him "what's next". Too many meetings by previous presidents were poorly run. Tom took the club off that road of ruts and got us down the smoother road of an agenda driven meeting format. Tom was organized and set an agenda for each meeting. Tom limited the ramblings and kept people on topic. That was a huge relief. Looking back, after sitting through general and board meetings for (32) years (Tom A.), where we are today, is a huge breath of fresh air.

Too often the Board fell into the practice of kicking a subject down the road, to be looked at in the next meeting, and then the next meeting, etc. Tom pushed various Directors to conclude a task by a given date, essentially stopping most of the procrastination process. This resulted in the OGC Board of Directors getting more done in recent years. Maybe some on the Board might not recognize that and many members probably missed that detail, but those of us who didn't miss that change appreciate Tom's efforts!

One of the newer tasks for a person serving as OGC President is being the supervisor of the paid employees of OGC. It becomes a major task that the President doesn't get enough credit for. Managing people is one of the most challenging tasks that someone can endure and Tom did it well!

The OGC will miss you and we wish you well in your "club President retirement". You've earned it! It sounds like Sarasota, FL is your first stop on your new adventure....enjoy the sun and doing something rewarding and enjoyable, Tom!

Notes from your General Manager

A few questions I would like to answer from our Annual Meeting and after.

For those of you who don't know, I'm the one who is solely responsible for the bank deposits and entering everything into our Point of Sale (POS) including our Membership Renewals.

Because of the questions that came up at the annual meeting and the emails/phone calls I've received, I ran some financial reports and I hope this answers your questions.

The main questions were about our income from our membership renewals. As you know, our renewal process starts in Oct. which is why the treasurer report seemed so low. Below is what the complete totals actually were through Feb 1st: (there were some late renewals that were OK'd by the Secretary after 2/1)

Regular Members:	\$137,140.00
Honorary Members:	\$7,068.00
BOD & Advisors:	\$1,625.00
TOTAL:	\$145,833.00
Late Fees:	\$2,775.00
TOTAL:	\$148,608.00
New Member Fees:	\$14,875.00
N. Member Initiation Fees:	\$17,250.00
TOTAL:	<u>\$180,733.00</u>

There is a meeting scheduled in Jan. with our accountant Linda, Daryl our treasurer, a member who stepped up to help after the Annual meeting, Chad Oates and myself to figure out what needs to be done to correct the current process we are using. I'm hoping for an update for you in the Feb. newsletter.

I hope this answers at least some of your questions.
If not, please let me know.

I feel, as we are all owners of Oakdale Gun Club, transparency is very important along with member involvement.

Your GM
Teresa Reiter
